

Cholla District Weekly Update

The newest episode of Glendale Today features Midwestern University, a tremendously valuable asset to our community. It was a privilege to have Midwestern University President and Chief Executive Officer, Dr. Kathleen Goeppinger, as my guest on the show. Together we discussed the history of the university, the economic impact it has not only in Glendale but the entire region as well as the healthcare services the university offers to the community. We also enjoyed a tour of the new companion animal clinic, which provides care for your household pet including wellness visits, diagnostic imaging, surgery, dental, and senior pet care. You can watch the 30 minute show on Channel 11 on Cox Cable and Century Link, or in smaller clips on Glendale's YouTube Channel, [MyGlendale11](https://www.youtube.com/channel/UCMyGlendale11), and www.GlendaleAZ.com.

Always feel free to contact me with your questions or concerns. I value your input and opinion.

Lauren Tolmachoff

It is not too late to RSVP to the Cholla District Spring Meeting on Wednesday, May 18, from 6:30 - 8 pm in the Legend Springs Elementary School Cafeteria, 21150 North Arrowhead Loop Road. This meeting will provide you the opportunity to share your opinion and offer input on issues you believe are important to our district and throughout Glendale.

Come and enjoy light refreshments, drinks, and separate drawings for a chance to win a pair of tickets to see Duran Duran or Coldplay at the city-owned Gila River Arena.

Please RSVP to attend the district meeting by emailing LTolmachoff@GlendaleAZ.com or by calling **623-930-2249**.

I hope you can attend, and look forward to having you as my guest.

Closure of Albertsons, located at 59th Avenue & Beardsley Road

I wanted to make you aware that Albertsons, located at 59th Avenue & Beardsley Road, will be closing due to the merger of Safeway with Albertsons, and a company policy of not having 2 stores in close proximity, (in this case the Safeway store at 67th Ave & Beardsley). The Glendale Office of Economic Development is working with the listing broker for the property and Albertsons to locate a new tenant for this space. I have spoken to the city's Director of Economic Development and he has assured me that finding a replacement tenant at this location is a top priority.

Serve On A Glendale Board or Commission!

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City
